My dear Mr. MacClain:

I wish to commend you for your work while a member of the United States Delegation to the recent International Telecommunication Union Region 2 - Fourth Inter-American Radio Conference. Your willing and conscientious devotion to your tasks and the good judgment and tact you displayed in your dealings with members of foreign delegations on committees of the Conference assisted greatly in facilitating the work of the Delegation at the Conference.

It was a pleasure to be associated with you and I would be happy to work with you again should the opportunity arise.

Sincerely yours,

/s/ J. Paul Barringer
